

I am writing to express my concern over your proposal to expand broadcast service which would allow LPFM stations to take priority over current FM translator service. I currently listen to K-LOVE on FM 91.1 and would not want it to be forced off the air in my area. K-LOVE is an uplifting and encouraging station. It provides news stories of interest and great music. It serves the whole family and promotes wholesome values. It has a positive impact on the communities it reaches. Please reconsider your proposal so K-LOVE will not be displaced by an LPFM broadcaster. Thank you for your consideration.
